

ICT SHOWROOM 2011

student project exhibition and competition

ICT ShowRoom is an exhibition and a competition, in which

- students of the ICT House present their project work done during the past year
- research groups present their project work done during the past year

SCHEDULE

DEC	15	2010	Registration opens www.it.abo.fi/ictshowroom
JAN	31	2011	Registration deadline
MAR	10	2011	ICT ShowRoom / ICT House / 11:00 – 15:00 *

EXHIBITION

Each project gets a stand:

- Space for poster
- Table for project demo

** Visit also ICT KAMPUS 2011 Career Event.
Same day, same place.
www.kampusturku.net*

COMPETITION

The projects are evaluated by a jury of industrial experts for:

- Commercial potential
- Technical feasibility
- Poster and demo

PRIZE!

The jury will announce a winner the same day. The winning team will receive a prize. In addition, special awards will be given to teams with unique ideas or presentations (for example artistic experience, adventurous technical solutions, eye-catching look and feel).

Projects can either take part only in the exhibition, or the exhibition and the competition. Only projects made as part of course work can take part in the competition.
